WHEN TRADITIONS MELT INTO ONE

Countless stories can be told of the brave-hearted St. Bernard dogs, pictured on an exquisite bronze medal on the side of the caquelon. Saint Bernard dogs – Switzerland's national dog – have a long and rich heritage, just like Swiss cheese fondues. Enjoy a companionable fondue evening with family and friends, and travel back in time through Switzerland's cultural heritage.

Cheese fondue basic recipe for 6 persons

Ingredients

- » 900 - 1200 g mixed cheese from your cheesemonger or:
- » 400 g mild Greyerz
- » 400 g hot Greyerz
- » 300 g Appenzell
- » 100 g Emmental
- » 1 kg white bread
- » 6 level tsps cornflour (e.g. Maizena)
- » 600 ml dry white wine (e.g. Fendant or Gutedel)
- » 3 tsps lemon juice
- » 6 cloves of garlic, medium, coarsely chopped

Further information and even more types of cheese for fondue from the natürlü tonstein cellars at: www.naturlü-ag.ch

Preparation

Cut the bread into bite-sized cubes. Grate the Greyerz, Appenzell and Emmental cheese with the coarse side of the grater. Place the cheese in the caquelon. Sprinkle the cornflour over it, and add the white wine, lemon juice and garlic cloves. Heat the mixture on high until the wine starts to boil, and then turn down to medium heat. Stir continually with a spatula. When stirring, make sure that the spatula always remains in contact with the bottom of the caquelon so that the cheese does not catch and burn. As soon as a creamy mass forms, increase the heat so that the fondue bubbles up. Allow to simmer for 1 - 2 minutes and season to taste with pepper, nutmeg and paprika. Light the burner in the rechaud and place the caquelon with the simmering fondue mass on top of it and immediately continue to stir with the bread cubes skewered on the fondue forks.

During the meal make sure that the cheese mass is thoroughly stirred on a continuous basis. Now all you have to do is select your favourite accompaniment (see tips for cheese fondue) and the cosy get-together around the fondue will become a fine taste experience. Enjoy!

Tips for cheese fondue

Connoisseurs and aesthetes alike accord as much importance to a beautifully laid table as they do to fine food. Surprise your guests with an out-of-the-ordinary cheese fondue and special side dishes.

Classy Enhance the traditional cheese mixes with Appenzell or Roquefort.

Crispy Serve nutbread and pain paillasse instead of white bread.

Fiery If you like it hot, spice up the cheese fondue with green peppercorns or chopped peperoncini peppers.

Fruity Serve slices of pear and apple as well as grapes as refreshing and light accompaniments.

Crunchy Serve parboiled vegetables as accompaniments, for example: carrots, potatoes, cauliflower, broccoli, onions and mushrooms.

Herby Enhance your cheese fondue with oregano.

Raclette with home-preserved rosemary pears

Mini-Raclette: For 4 persons (for 4 persons we recommend 2 Mini-raclette sets)

Preparatory Work

Wash, peel and core pears and cut into approx. 5 mm cubes.

Ingredients

- » 2 pears / 400 g e.g. Gute Louise, Alexander or Forelle
- » 50 g sugar
- » 1 cl white wine
- » 1 cl water
- » 20 g mustard, mild
- » 2 sprigs of rosemary, 8 cms in length
- » 3 tbsp Williams schnapps to perfume
- » Freshly ground salt & peppe

Preparation

Caramelize sugar to light brown in pan, de-glaze with white wine & water, add mustard, bring to boiling point and season with freshly ground salt and pepper. Then allow to simmer lightly until the sugar has dissolved. Add the diced pear and simmer until al dente, add the sprigs of rosemary, once again bring to boiling point, perfume with Williams pear schnapps, cover and allow to draw for 30 minutes on one side. Then remove the rosemary, pluck, chop finely and place on one side. Separate diced pear from the liquid and place the Williams pear schnapps liquid on one side to cool. Distribute the rosemary diced pear on the raclette cheese, if desired sprinkle a little chopped rosemary on top and allow the raclette cheese to melt to the consistency desired.

In August 2017, Kuhn Rikon took over the well-established “Rheinfelder Keramik” ceramics factory.

We’re delighted and proud to be continuing business with the team in Rheinfelden, thus preserving a valuable craft and safeguarding the future of one of the last ceramics factories in Switzerland.

All products such as caquelons, plates, children’s plates, bowls, mugs, cups and more are crafted lovingly by hand using top quality materials. Manual production and artistic painting by well-practised hands give the tableware its special, individual character.

Each item is unique. The unique tableware ranges are a feast for the eyes and delightful to the touch. Heirlooms, perhaps, to be preserved for the next generation?

HOME TIES

Alois Carigiet (born 30th August 1902 in Trun, Grisons; † 1st August 1985 in Trun) gained fame as a Swiss artist, lithograph and children’s book author. His three best-known children’s books are “A bell for Ursli”, “Florina and the Wild Bird” and “The Snowstorm”. In particular, his book “A bell for Ursli”, with text by Selina Chönz, brought him national fame in Switzerland. Alois Carigiet’s love of the Engadine landscape infiltrates all of his pictures. These unique Carigiet paintings have been copied onto Rheinfelder ceramic products. The manual production and artistic painting by well-practised hands give each unique item its special, individual character.

OF APPENZELL AND IBEXES

Appenzell epitomises rustic Switzerland and the close connection with the beautiful landscape and animals. Vibrant Alpine scenes and cow bells have been reinterpreted and hand-painted by our ceramic artists.
